PLACES OF WORSHIP, COMMUNITY CENTRES & VILLAGE HALLS

"We are delighted with the kitchen - it looks good and is so easy to clean, making it look like new every day! The cupboards and doors are well made and the units are strong and sturdy but look smashing - so many thanks for the semi-commercial kitchen we now have. In fact, we were so pleased that we recommended you to our sister church."

Kitchens in community centres and village Halls receive a very high level of non-ownership use. For the optimum durable work surface take a look at our section on stainless steel worktops

"The powder coated steel cabinets give the kitchen a warm, friendly, domestic appearance, which parents have commented on and many have signed up for food hygiene and food preparation courses in the kitchen...."
