KITCHENS

SECTOR PORTFOLIO:

## **Community Kitchens**

Places of Worship, Community Centres,  
Town & Village Halls

## This portfolio focuses on the use of Kitchens within Community establishments & Village Halls.

There is a refurbishment revolution going on up and down the country as existing local facilities are being re-purposed into much needed community assets. Buildings such as church halls, community centres, village halls and scout huts are realising their potential to raise some welcome financial income by offering their facilities to the wider community. Built around a refurbished kitchen these places might be pre-school nurseries in the morning, community cafes at lunch time and then food banks or soup kitchens in the afternoons and evenings delivering much needed services and support right in the heart of the local community.

Steelplan Kitchens is proud to have played our part in hundreds of such projects in towns and villages throughout the UK. Our range of painted metal kitchens creates the perfect combination of durability and aesthetics that is ideal for these environments. This portfolio showcases just a few we have been involved with and we hope that they will help to inspire future ones...

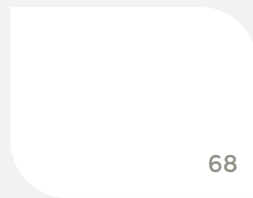

# Finishes

Available in a Range of 18 Flavours

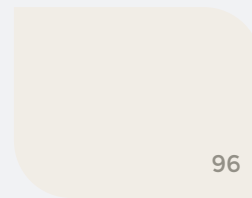

Milk

Bubble Gum

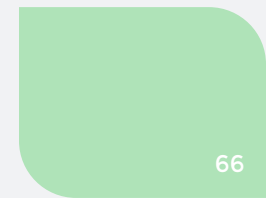

Blueberry

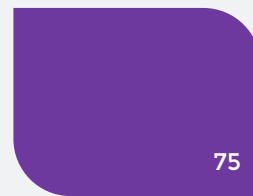

Oyster

Seabass

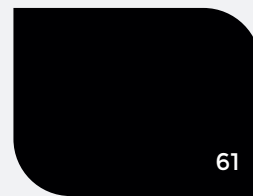

Mint

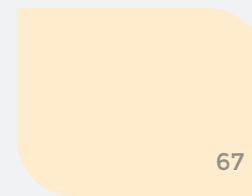

Passion Fruit

Yorkshire Blue

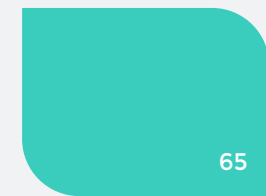

Liquorice

Buttermilk

Cappacino

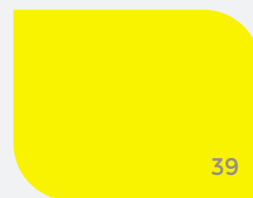

Sage

Strawberry
